

# CHAIN OF RESPONSIBILITY (CoR) PROGRAM CERTIFICATE

## D.L & M.A LESLIE PTY LTD

The operator named above is a member of the [www.CoR.com.au](http://www.CoR.com.au) Chain of Responsibility Program.

The Program includes Policies for:

- Fatigue
- Speed
- Mass, Dimension and Loading
- Distraction
- Vehicle Maintenance
- Third Parties (Sub Contractors)
- Safety Management

The Program also includes a Risk Assessment and Matrix, Induction Systems, Training & Assessment Modules, Templates and Supporting References related to a Safety Management System (SMS), as outlined in the Heavy Vehicle National Law (HVNL).

The Program has been developed to address the identified safety and general risks associated with heavy vehicle activities. It includes monthly updates to the operator to ensure they manage an ongoing and active SMS.

Program participants are required to allocate suitable resources and time to implement the monthly updates; otherwise, compliance will not be achieved.

D.L & M.A Leslie Pty Ltd's commitment to fully implementing the Program's monthly updates and tasks demonstrates their legal compliance with the current HVNL Chain of Responsibility obligations.
